

Quick Title

Tired of software that is more complicated than you need? We listened and developed a program specifically for you. Quick Title is our easy to use HUD and policy production system and, while simple, it's packed with features specific to New England.

Why you want it.....

Quick Title

- Intuitive, easy to use production software
- Simple to load and a snap to network
- Designed specifically for the New England market
- Includes many features not found larger systems
- Free. No strings attached.

Need More? We also offers Snap Close. It's our full featured title and escrow production system.

With extra features like the ability to print bank

documents, built in check writing and reconciliation. Snap Close has it all.

- Produces Commitments, Policies, Endorsements quickly and easily
- Visual HUD (both old and 2010 HUD)
- Copy File feature
- ZIP code look up
- Export HUD and documents to Word or PDF format
- Print and track 1099s
- A pick list of boilerplate exceptions and requirements
- Extra documents such as MLC request, Lead/Carbon/Smoke certification and mortgage discharge statute forms
- The ability to add custom documents
- Works for all five Fidelity Brands in all six New England States
